Valuation

Note: The value of the home you wish to buy (or if you are remortgaging, the property you already own) is very important. A mortgage application

can only proceed when an appointed valuer has assessed the value of your property on behalf of Newbury Building Society. The valuer will carry out a visual inspection of the property, but is not required to inspect covered, unexposed or inaccessible parts. The resulting report will put a value on the property as a mortgage security, and will include any factors likely to significantly affect its value. We will send you and your solicitor/ conveyancer a

copy of this valuation report, but please remember that this is NOT a survey. A valuation will not report any defect, however serious, which is not yet apparent on a reasonably careful visual inspection, nor will it include any defects which the valuer does not feel will materially affect the suitability of

the property as security.

We recommend that you consider the need for your own independent full building survey or Homebuyer report.

If a final inspection is required, a further fee will be payable. Please refer to our 'Mortgages Explained' booklet for full information about valuations.

Property insurance

It is a condition of your mortgage that your property is insured for the full cost of rebuilding it. You must maintain buildings insurance for a minimum of the reinstatement cost as recommended by our valuer and the policy must be index linked.

Protecting your property and its contents is an important decision and you should select the level to meet your own requirements.

Please read the following points carefully and raise any questions or ask for further information if you do not understand before signing the declaration on page 19 of this application form.

- 1. You accept sole responsibility for the choice of insurer, the sum insured, the extent of cover and the financial consequences of any terms, conditions or excesses imposed.
- 2. You will ensure the sum insured is not less than the rebuilding figure given in the valuation report and is index-linked annually.
- 3. You will ensure that the cover provided by the policy includes financial protection against loss or damage to the property for all major insurable perils, including but not restricted to: Fire, Flood, Storm, Theft, Escape of Water, Malicious Damage, Subsidence, Landslip and Heave and Legal Liability.
- 4. You undertake to pay all premiums as they fall due to maintain the policy cover for the life of the mortgage.
- 5. You accept the Society has no responsibility for any loss suffered by me/us in connection with the insurance of the property, however caused.
