

Make payments to your savings account online

Making one-off payments or regular monthly payments to your Newbury Building Society savings account can be done online with your bank by setting up a single payment or standing order. Allowing you greater flexibility of your finances wherever you are.

If you don't have access to the internet then you can visit your nearest bank to set up payments.

How to make a payment

Log in to your online banking account and use the details below to make a payment to your Newbury Building Society savings account.

Account number: 00000000

Sort code: 62-28-74

Reference number: 10 digit number inside your passbook

Please note: Funds may not be available to withdraw the same day as they were transferred.
