The mortgage must be on a capital and interest repayment basis. Minimum property value of £125,000.

### 2. Legal costs

Legal work is required when buying your home. This is carried out by a solicitor and is payable by you. We can use the same solicitors as you, providing there is a minimum of four Approved Managers/Licence Holders and they are registered on The Law Society website ([www.lawsociety.org.uk](http://www.lawsociety.org.uk)).

Licensed conveyancers are also acceptable for residential business only. The conveyancer must be registered with the Council of Licensed Conveyancers and be in a firm with at least four Approved Managers/Licence Holders.

### 3. Incentives

We will carry out a standard valuation at our cost, providing the mortgage completes. If the mortgage does not complete and the valuation has been carried out, you are responsible for paying it. You can upgrade to a Home Buyers report if you wish and if you would prefer a full building survey, we can give you the names of some local surveyors who can organise this for you (see our Mortgages explained booklet for valuation and home buyer fees).

### 4. Qualification

You need to be accepted by a zone agent, housing association or local council for the Shared Ownership scheme.

### 5. Share of property

Your share of the property must be between 25% and 75% of the purchase price or valuation (the lower of the two). You can borrow up to 95% of your purchase share

### 6. Fees

A Mortgage Exit Administration Fee (MEAF) applies when you repay your mortgage. Please see our Tariff of charges leaflet and your European Standardised Information Sheet (ESIS) for details.

### 7. Timescales

House purchases must complete within 3 months of the date of the formal mortgage offer. Remortgages must complete within three months from the date the application is received.

For new build properties the mortgage offer is valid for up to 6 months. The application must be able to complete in the product time scales. Therefore, the new build property must be completed and available for occupation within 6 months of the mortgage offer.

### 8. Portability

All our mortgages are portable, which means that if you move house within an early repayment charge period the product can be transferred to your new mortgage, up to the value of the product outstanding at redemption, without charge. If the loan amount on your new mortgage is lower, there may be a charge based on the difference between the old and the new loan amount.

### 9. Other charges

Charges applying to the ongoing administration of your mortgage are detailed in our Tariff of charges leaflet, which you will be given before your mortgage completes.
